# AMERICAN DOUBLES - THE RULES

---

## HOW TO PLAY

1. The first round of matches will be scheduled for you
2. You'll play X games with your partner, then play X games against your partner (your host will define the number of games for you).

## HOW TO SCORE

1. You keep your individual score. If you won 3 games playing with your partner, and 2 games against your partner you'd have a total of 5 games.

## HOW THE MATCHES ARE SCHEDULED

1. After the first round of matches, the host will collect all of the scores in.
2. The next round is scheduled by the number of games you are on. The top 4 players will play against each other, then the next 4, then the next etc.
3. This process continues until all matches have been played.

## HOW TO WIN

1. You win by having the most number of games by the end of the afternoon!
